

***"Taking the mystery out of feeding Preterm Infants discharged from the NICU"***

**DATE: Thursday, March 8, 2012**

Women and Infants Hospital Auditorium

**Speaker: Lynn Pryzstac, R.D., L.D.N.**

Registered ADA Dietitian

Dept of Pediatrics, Women and Infants Hospital

**Learning Objectives:**

At the conclusion of this CME, you should be able to:

- Review recommended growth rates of the pre-term infant during and after hospitalization.
- Discuss common nutritional deficits that may occur during hospitalization.
- Discuss options for optimal nutrition support after discharge.

**Physician Accreditation**

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Rhode Island Medical Society through the joint sponsorship of Coastal Care Medical Management and the Rhode Island chapter of the American Academy of Pediatrics. Coastal Care Medical Management is accredited by the RIMS to sponsor intrastate continuing medical education for physicians.

**Physician Designation**

Coastal Care Medical Management designates this live educational activity for a maximum of *1 AMA PRA Category 1 Credits*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Physician Assistant Accreditation:**

AAPA accepts certificates of participation for educational activities certified for Category I credit from AOACCME, Prescribed credit from AAFP, and *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 1hour of Category I credit for completing this program.
